Signature _____

Yes *information may be published in a future Rapport. No *information may not be published in a future Rapport

DEVELOPMENT Outlook

Paul F. Martinez
Director of Development
and Alumni Relations

It is a common ritual in the United States to make New Year's resolutions. One resolution that can have an eternal impact concerns the equipping and training of ministers. At AGTS, we have made a commitment to provide solid Pentecostal training and resources to our students, allowing them to effectively minister to those who do not know Christ. Consider these facts:

- AGTS saw record enrollment in Fall 2002 when 496 students were enrolled, but this past semester saw that increase to 507 students—an all-time record! We thank God for this milestone!
- AGTS is the #1 seminary for the training and equipping of chaplains for military and institutional purposes.
- AGTS currently has more than two-dozen graduates in the process of planting new churches in the United States and many other graduates are planting churches around the world.

Would you join AGTS in making a resolution that will have eternal value? The cost of an AGTS education is \$12,400 per student and while tuition covers \$7,700 of that amount, the remainder comes from generous supporters who believe in making a

Kingdom investment. With your help, AGTS can continue to train the leaders of today and tomorrow.

For more information on making a contribution or becoming a monthly partner, please visit www.aGts.edu/partners or contact me at (417) 268-1012.

Together, let's make a resolution to see missionaries trained, chaplains minister to troops here and abroad, and new churches make inroads into the darkness. Together, let's see our world changed for the Kingdom of Christ! 🙏

AGTS student, Kevin Smith, calls alumni on behalf of the seminary during the annual phonathon.
